Village of Eden Residents

Winter Parking Restrictions

All Night Parking is Prohibited!

No person shall park or permit a vehicle to be parked on any public street in the Village of Eden between the hours of

2:00 a.m. and 6:00 am

nor at any other time which interferes with the removal of snow during the period of November 1st of the current year and April 1st of the following year.

A vehicle parked in violation of this subsection may be removed by any police officer and the person so parking said vehicle shall, in addition to being punished for a violation of this section, be required to pay all expenses incurred in moving said vehicle.
